The University will grant application apparently only after we have got a new professor of Organic chemistry & we are going to send a ~~to~~ man for training in that branch It will take two years to train the man If the University will not accept the mere deputation as sufficient in itself to grant application for Home Course, what is the use of asking now the provision for Europe stores?

Edn files 163 of 1910 Nos 1, 2, 3 and 11, and Nos 4, 14, 17, 18 and 21 are linked. The notes on the latter collection deals with the reduction of the provision for Europe stores from Rs 3000 asked for to Rs 1500 in the order sanctioning only Rs 1500 for the purpose (862) in that file) when I Gr was asked to make a further application if a larger provision is required.

It will be seen from the file put up that the annual grant of Rs 3000 for Europe stores for the Chemical Section was one of the conditions on which application for the Pass Course was sanctioned. The University & the Dept now want this condition be fulfilled literally. It is very irritating to be frequently twitted with non-having acted up to assurances given. While I am prepared to do all that is reasonable & necessary it is unreasonable for the University to lay down conditions in respect of all minor details & demand literal performance. This, however, a matter to be forgotten with the university and a suitable

Final Note by the First Member of Council

Subject — Additional provision in the Budget for 1914-15 in connection with the Honours Course

40 In connection with the starting of Honours Courses in the two Colleges, it has become necessary to make certain additions to the establishment and charges of the Colleges, as suggested by the University These items are mentioned in detail in the statements in the file In accordance with the understanding arrived at the Inspector General of Education recommends sanction to the following additional appointments and charges

For the Central College Bangalore

(a) An Assistant Professor on Rs 175/- per mensem in connection 41 with Branch II A Physics Honours Course

(b) 42 The increase of the provision for Europe Stores from Rs 1500 to Rs 3000 on account of Chemistry in Branches II A and II B (Physics and Chemistry) of the B A Pass Course

For the Maharaja's College, Mysore

A Segprate additional provision of Rs 250/- per annum for the Library and Prizes in the High School Department of the

10

the Maharaja's College Mysore so as to allow of the present allotment of Rs 1500/- being solely utilised for the College Department

(d) An Assistant Professor of English on Rs 175/- per mensem 44 to relieve the present Professor of History (Mr N S Subba Rao) of his English work

(e) A lecturer in History on Rs 75-10-125 per mensem 45

(3) For the Maharaja's College two additional posts, i e one Assistant Professor on Rs 200/- to 300/- 46 and one Tutor on Rs 100/- to 200/- have already been sanctioned in Government Order No 6678-9/Edn 188-13-2, dated 6th January 1914 The Inspector General of Education recommends that the pay of these two appointments may be regraded into an Assistant Professor on a -- fixed pay of Rs 350/- and a Lecturer on Rs 150/- per mensem

(4) 47 These proposals involve an extra annual expenditure of Rs 8050/- on an average I am of opinion that the additional -- Assistant Professor of English recommended for the Maharaja's -- College may be treated for the present as temporary and that the pay of the Second Lecturer in History now proposed for that College may also be fixed at Rs 150/- instead of at Rs 75/- 10-125 as a person with superior qualifications will have to be got for the place

7/7/14

(5) 48 As for altering the appointment of Assistant Professor

Professor of History to one of Rs 350 this will be necessary only if Mr S Krishnaswamy Iyengar is to be appointed But as this is not certain the Inspector General of Education will be asked to submit definite proposals and informed that if absolutely necessary Government would be willing to raise the provision to Rs 350 The other proposals of the Inspector General may be approved

Extracts from the University Commission report to the Registrar, Madras University	Inspector General's proposals	1st Member's remarks in the I G's letter
B A Pass Course Branches II A & II B	From the letter dated 29th Jan 1914 of Mr Eldam Smith (g) Before affiliation to the B A Pass stardard was granted last year, the Inspector General of Education undertook to assign an annual allotment of Rs 3000 to the Chemical Department of the College to meet the cost of European Stores and contingencies He informs me that Rs 1500 has been sanctioned for the present and that if a larger provision is required it will be provided I think the Syndicate is justified in expecting a more literal performance of a definite promise	In his letter No 13272/686 dated 14-4-1914 the increase of provision for Europe Stores from Rs 1500 to Rs 3000 is therefore recommended from 1914-15	May be given ✓
Honours Course Branch II A	Inquiry report of Rev. A. Duffet " If the number of students in the intermediate classes is limited to 80, I think that the addition of one Assistant to the present staff would be sufficient to enable them to overtake the Honour's work as proposed" "I recommended this addition to the staff to Mr Chama Rao and he informed me that there would be no objection to sanction it"	One additional Assistant Professor on Rs 175 p m is therefore recommended by the Inspector General	May be given ✓

Maharaja's College, Mysore

Extracts from the University Commission report to the Registrar, Madras University	Inspector General's proposals	1st Member's remarks in the I G's letter
Honours Course History & Economics	Inquiry report dated 11th February 1914 of Mr F Carley The present staff comprises two Professors and one Lecturer & I think the proposed addition of one Assistant Professor and one Tutor is insufficient I recommended x x the following staff for History (2nd alternative) (b) two professors, two Assistant Professors one Lecturer and one Tutor x x x x In either case it must be clearly laid down that the staff so appointed is for the teaching of History only and not for participation in the English teaching N B Total needed 6 Present staff 3 (2P, & 1 A P), Already sanctioned 2 (1 A P & 1 T)5 New staff required 1 plus separate teacher to relieve English work	1 Asst Professor of English on Rs 175 to relieve Mr M Subba Rao of his Eng work A One Lecturer for History on Rs 75-10-125 in addition to the two hands already sanctioned	may be given on a temporary basis at present A superior man must be got & so may be on Rs 150
	X Already sanctioned in G O No 6678-9/Edn 198-13-2 dated 6-1-1914 One additional Assistant Professor on Rs 200 to 300 ~~and~~ one Tutor on Rs 100 to 200	The I G proposes instead (vide his letter 14084/720 dated 1-5-14) 1 additional Asst Professor on Rs 350 & 1 Lecturer (instead of the designation of tutor) or Rs 150	To comply with later assurances given one Asst Professor & 2 lecturers are needed
	(d) The Library already contains a large number of History books & the additional non-recurring grant of Rs 2000 though less gererous than the provision made elsewhere should be sufficient for the initiation of the Honours Course It is however greatly to be desired that the annual grant of Rs 1500 should be placed wholly at the disposal of the College instead of being partially allocated to the Library of the School	The I G therefore proposes a provision of Rs 250 (100 for Library and 150 for prizes) separate for the High School Department	may be given if the College reserved grant is not more than what Central College gets O
X The additional lecturer has been proposed in the I G's other letter dated 14-4-1914		Vide A
